Short Term MedicalSM

The plan that offers easy-to-understand health insurance designed for individuals and families in times of transition and change. Plans available to members of FACT — see back panel.

***Short Term Medical* can “bridge the gaps” in health insurance coverage if:**

- You've lost coverage through recent job or life changes;
- You're a student or graduate no longer eligible for coverage under your parents' plan;
- You're a seasonal worker;
- You've retired and are waiting for Medicare eligibility.

Because we know that life can change quickly, Golden Rule gives you the flexibility to drop your *Short Term Medical* coverage at any time without penalty or to apply for another 1-6 months of coverage.

With Golden Rule, you can choose from a range of deductibles, payment options, and length of coverage that best meets your needs. In addition, you have access to a wide choice of physicians and health-care facilities.

Note: *Short Term Medical* is temporary health insurance and non-renewable. You may apply for one additional certificate. A second certificate is not a continuation of the first; preexisting conditions will not be covered.

How Short Term Medical Works:

1

You pay the stated deductible for each illness or injury.

2

The insurance pays 80% of the next \$5,000 of covered expenses. You pay 20%.

3

The insurance pays 100% of remaining covered expenses.

Optional Periods of Coverage:

1-6 months.

Deductible Amounts Available:

\$250, \$500, \$1,000, \$1,500, or \$2,500.

12-Month Extension of Benefits

If an insured is confined as an inpatient during the coverage term and the confinement continues after the term ends, we will extend coverage until the earlier of the discharge date or 12 months after the end of the policy term.

60-Day Extension of Benefits

Benefits (up to \$1,000 maximum) can be paid for up to 60 days after the end of the policy term for an illness or injury. This is provided that the deductible is met, that the covered expenses are first incurred in excess of the deductible for that illness or injury during the policy term, and that the illness or injury does not result in an inpatient hospital confinement that begins during the policy term.

This brochure is only a general outline of our standard short-term benefits. Please see pages 11 and 12 for state variations. This is not an insurance contract. Please read your certificate carefully.

Complete coverage details are provided in the policy and certificates. In most cases, coverage will be determined by the master policy issued in Illinois and subject to Illinois law. We will notify you in advance of any changes in coverage or benefits.

Not available in all states.

UnitedHealthcare Choice Plus Network Using Preferred Networks

With a Golden Rule health insurance plan, you gain access to the UnitedHealthcare Choice Plus network.

Physicians, hospitals, and other health-care providers participating in UnitedHealthcare Choice Plus network have agreed to provide you quality care at reduced costs. The result is lower premiums, and in return, you agree to use the physicians, hospitals, and other providers in the network.

This extensive network of health-care professionals and facilities provides you substantial discounts on medical services.

To locate providers for the network, visit www.goldenrule.com (our Web site).

Out-of-Network Benefit Reduction

Receiving nonemergency services outside the Choice Plus network results in substantially less benefits. Your covered expenses are reduced by 25%. This reduction is limited to \$5,000 in covered expenses, per covered person.

Deductible and Benefit Period per Condition

For each condition (illness or injury), you will have a deductible and a maximum benefit period. A benefit period begins when you are hospital-confined or meet the full amount of the deductible for an illness or injury during the certificate term. You may have more than one benefit period running at a time if you have more than one illness or injury for which you are hospital-confined or have met the full amount of the deductible.

Group — Coordination of Benefits

If, after coverage is issued, a covered person becomes insured under a group plan, benefits will be determined under the Coordination of Benefits (COB) clause. COB allows two or more plans to work together so that the total amount of all benefits will never be more than 100 percent of allowable expenses during any calendar year. COB also takes into account medical coverage under auto insurance contracts.

Dependents

For purposes of this coverage, eligible dependents are your lawful spouse and eligible children. Eligible children must be unmarried and under 25 years of age at time of application.

Limitations

Diagnosis or treatment of mental or nervous disorders, including mental incapacity and substance abuse, will be limited to a lifetime maximum of \$3,000 per covered person. Outpatient diagnosis or treatment of mental or nervous disorders will be further limited to \$50 per visit.

Expenses relating to diagnosis or treatment of any spine or back disorders will be limited to \$50 per visit and to no more than six visits in any three-month period.

Covered Expenses

Subject to all policy provisions, the following expenses are covered:

- Daily hospital* room and board at most common semiprivate rate; reasonable and customary charges for intensive care unit.
